## Sewing Instructions for the Quilt

*All seams are sewn using  $\frac{1}{4}$ " seam allowance with pieces held right sides together and raw edges even.*

1. Draw a diagonal line on the wrong side of a  $6\frac{7}{8}$ " light square. Right sides together, layer the marked square with a blue or green  $6\frac{7}{8}$ " square. Sew  $\frac{1}{4}$ " away on both sides of the marked line. Cut on the marked line to yield (2) half-square triangle units as shown. Repeat to make a total of (80) half-square triangle units, mixing the light and brown fabrics with the blue and green fabrics as shown in the quilt pictured on the cover.

2. Draw a diagonal line on the wrong side of a  $3\frac{1}{2}$ " light fabric square and a  $3\frac{1}{2}$ " blue or green fabric square. Right sides together, layer the marked squares in opposite corners of a half-square triangle unit from step 1, placing the light fabric square in the corner of the blue or green triangle and the blue or green square in the corner of the light fabric triangle as shown. Sew on the marked lines. Trim  $\frac{1}{4}$ " beyond the seam lines and press the resulting small triangles out to make (1) block as shown. Repeat this procedure to make a total of (80) blocks.

3. Referring to the quilt pictured on the cover, arrange the blocks into (10) rows with (8) blocks in each row. Rotate the blocks as shown to make the interlocking X pattern. Stitch the blocks into rows and sew the rows together to complete the center of the quilt top.

4. Trim the selvages from the  $2\frac{1}{2}$ " brown bias plaid, inner border, strips. Sew the strips together, end to end, to make a long  $2\frac{1}{2}$ " strip. From this long strip, cut (2)  $60\frac{1}{2}$ " and (2)  $52\frac{1}{2}$ " lengths. Sew the longer lengths to the left and right sides of the quilt top. Stitch the shorter lengths to the top and bottom.

5. Sewing lengthwise, stitch together (10)  $2\frac{1}{2}$ " light fabric strips, using one strip each from the ten assorted light fabrics. Repeat to make a total of (3) identical strip sets. From each strip set, cut (4)  $8\frac{1}{2}$ " wide segments to yield a total of (12) segments.

6. Stitch together the (12) strip set segments from step 5, end to end, to yield an  $8\frac{1}{2}$ " wide x  $240\frac{1}{2}$ " pieced strip. From this long pieced strip, remove (2) border units, each consisting of (32)  $2\frac{1}{2}$ " segments, and (2) border units, each consisting of (26)  $2\frac{1}{2}$ " segments. Stitch the larger border units to the left and right sides of the quilt top. Sew an  $8\frac{1}{2}$ " brown dots square to each end of both smaller border units. Stitch these pieced borders to the top and bottom of the quilt top.

## Appliqué & Quilt Assembly

- Using template material and the paper patterns provided, make templates for the flower, leaf, and flower center. The patterns provided are full size, are not reversed, and do not include seam allowances.

Repeat this procedure to prepare (48) leaf motifs from the green vine fabric and (16) flower center motifs from the brown zigzag stripe fabric.
- Again using the method of your choice, use the remaining brown bias plaid yardage to make (16) 25" inch long pieces of 1/2" wide (*finished width*) bias stems/vines.
- Referring to the quilt pictured on the cover, arrange the prepared motifs and bias stems from steps 8 and 9 on top of the outer border as shown. Appliqué the motifs and stems to the quilt top, using the method of your choice.

## Appliqué & Table Runner Assembly

- Using template material and the paper patterns provided, make templates for the flower, leaf, and flower center. Please note that the patterns provided are full size, are not reversed, and do not include seam allowances.
- As necessary for the appliqué method of your choice, prepare (3) flower motifs from the dark blue stars and (2) flower motifs from the light blue stars from the Buggy Barn Basics Collection. Repeat this procedure to prepare (4) leaf motifs from the green vine fabric and (5) flower center motifs from the brown zigzag stripe fabric.
- Again using the method of your choice, use the remaining brown bias plaid yardage to make (6) 12" inch long pieces of 1/2" wide (*finished width*) bias stems/vines.
- Referring to the project pictured on the cover, arrange the prepared motifs and bias stems from steps 6 and 7 on top of the table runner center as shown. Appliqué the motifs and stems to the pieced table runner center, using the method of your choice.
- Trim the selvages from the 1½" brown zigzag stripe strips. Sew the strips together, end to end, to make a long 1½" strip. From this long strip, cut (2) 48½" and (2) 10½" lengths. Stitch the longer lengths to the left and right sides of the table runner top. Sew the shorter lengths to the top and bottom.
- Referring to the project pictured on the cover, stitch together (10) blocks from step 4, end to end, to make (1) pieced border, rotating the individual blocks as shown. Repeat to make a second unit. Sew these pieced borders to the left and right sides of the table runner, noting orientation. Repeat this procedure to stitch together (4) blocks from step 4, end to end, to make (1) pieced border, rotating the individual blocks as shown. Repeat to make a second unit.
